

NISCHAL PRASAI

Experience

As I have just completed my +2 an have joined bachelor's I don't have the experience of any kind of job but have experience of leadership and

Education

Newton's Education Academy, birtamode-5, jhapa

- I did my schooling as well as my +2 both from newton's with an above Average grade.
- I also in the first semester of my bachelor's as I am doing BSc Hons in Ethical Hacking and Cyber Security.
- I am also doing some extra learning to improve my skills in this field

Communication

I have good communication skills as I have been in part of an organizing community that held program like singing festival, beauty pageant and other program.

Leadership

As I already mention I was in the organizing community I would also like to add that I was head of organizing some program. So basically I have a fair experience of leadership
